A FAMILY TRADITION

Since 1968, the Lollinos have been dishing up authentic Italian foods, blending and roasting the finest coffees, and creating specialty frozen desserts in Chicagoland. We always provide unmatched customer service, are passionate about our products, and highly-skilled at what we do.

AWARD-WINNING GELATO

Italy's version of ice cream, but richer, creamier and less fat. But less fat does not mean less taste. We stay true to our Italian family heritage, making gelato in small batches using only the finest ingredients imported directly from Italy. And every batch from our menu of flavors is handmade from scratch, every day.

Our award-winning gelato is available in a variety of packaging sizes that are perfect for all your food service needs. We also offer catering for special events. So, you can give people a true and authentic taste of Italy. Right here in America.

ITALIAN SORBETTO

We make this classic and authentic Italian frozen dessert with fresh fruit, real fruit juices and purées. It's as creamy as gelato, but much lighter. And unlike ice cream or gelato, sorbetto is water-based with no cream. We offer a variety of sorbetto flavors for you to choose from and serve to your customers.

PREMIUM ICE CREAM

Like all our products, we put a great deal of love and attention in our premium ice cream. Each batch is made using only fresh ingredients and milk from America's Dairyland, Wisconsin. From distinguished flavors like Bourbon Vanilla to classics like Cookies N' Cream, it doesn't get any better than our premium ice cream.

GELATO POPS

Offering our award-winning gelato as gelato pops that are available to order in 32-piece cases in an assortment of flavors.

AVAILABLE SIZES

Our Chicago Pot Hole gelato flavor ranked #1 in America at the Gelato World Tour's qualifying rounds in 2016. At the 2017 finals in Italy, our Cocco Sogno gelato flavor achieved 5th place in the world as well as being awarded the "Technical Jury's Choice".
